SUMMER CAMPS

St. Clair Township Department of Community Services is offering summer day camp and sports camp programs.

The Mooretown Sports Complex is host to these exciting programs with its 25 meter pool, ice rink, arena floor, fitness centre. We are fortunate enough to be surrounded by a playground, the Moore Museum, Parkway Golf Course, Campground and the beautiful St. Clair Parkway & St. Clair River Trail.

Campers will need to bring a lunch, two or three snacks, and beverages for the day. They will be swimming daily so we also ask that they bring their bathing suits and towels every day. Sunscreen and hats are also recommended to protect children from the sun.

The entire day will be fully supervised by staff certified in First Aid, CPR, and Anaphylaxis Rescuer training.

We are a **"Nut Free"** camp so please avoid sending any products that may contain nuts to camp with your child.

No Camp on August 6th for Civic Holiday (camps are prorated).

Early drop off & late pick up is also available for an additional fee.
