These Ontario Regulations / Guidelines include but are subject to change without notice:

1. *Campsites must be made available only for trailers and recreational vehicles that,
 - i. *Are used by individuals who are in need of housing, or*
 - ii. *Are permitted to be there by the terms of a full season contract.**
2. *Only campsites with electricity, water service and facilities for sewage disposal may be provided for use.*
3. *All recreational facilities in the campground and all other shared facilities in the campground, other than washrooms and showers, must be closed.*
