## Camping Update & Reminder

### Seasonal Campers:

We will be opening our campgrounds this Saturday May 1, 2021 as per **Motion 27** of the April 19, 2021 Council Meeting – stating “campgrounds be authorized to open May 1 for snowbirds and seasonal camping subject to authorization by Provincial and Federal Order related to COVID-19 and Lambton Health Unit Guidelines”. We have just received further clarification from Lambton Public Health which we have attached to this email; please read it carefully and ensure you are following **ALL** provisions before attending your campsites. This letter does specify the length of time you are required to be at a secondary residence, and it specifies maintenance purposes as well.

Lambton Public Health has requested that we remind everyone that there is a Stay-at-Home Order in effect with emphasis on the fact that maintenance activities may only be done if they are essential and that there are provisions on the length of time, they are permitting to complete this maintenance.

### Transient Campers:

We are continuing to evaluate the COVID-19 circumstances and will be cancelling all reservations up to May 20, 2021 if we have not already done so. We ask for your patience if we have not cancelled your contract yet as we will be completing these over the next few weeks.

### Reminder for All Campers:

We are reminding everyone that you cannot put garbage at the road as we do not have pick up service at the road – ALL campers are asked to use the dumpsters that are provided. Also, propane tanks must be taken home as they are not permitted to go in the dumpster, and we do not have the means to dispose of these for you.

Kind Regards,

*St. Clair Township Management*
