Transient Camping Update

On Thursday May 20, 2021, the Province of Ontario released a new three-step plan which we must follow along with County Public Health Guidelines while reopening our facilities.

What does this mean for camping?

- Camping (Short-term rentals) is not permitted to begin **until the Province enters Step 1** of the reopening plan.
- Step 1 is not currently set to begin until June 14, 2021; therefore, we are not able to honor our transient camping reservations booked on or before June 14, 2021.

This June 14, 2021 - Step 1 date is relative to the Province Vaccination Rate and therefore is subject to change without notice. As you can imagine this makes planning our camping opening very difficult!

Rather than cancelling all reservations up to June 14, 2021, we will only be cancelling your reservation once your "departure date" has commenced, provided the June 14, 2021 Step 1 date is still in effect.

For Example: If you have a reservation from May 31 – June 7, 2021, your reservation will be cancelled on or shortly after June 7, 2021 by Township staff.

Considering the rapid changes handed down by the Province, we have decided that if you would like to cancel your camping reservation, including any dates in June 2021 we will cancel the dates / contract with **no** penalty (20% cancellation fee). This offer is only valid until we enter Step 1 of the Reopening plan and can resume with transient (short-term) camping.

Once again, we would like to thank you for your continued patience as we work through these ever-changing times together! Stay Safe and we hope you have a great summer!

Kind Regards,

St. Clair Township Management
